Dear Colleagues,

On behalf of the Clinical Immunology Society (CIS), we invite you to participate in the 2023 Annual Meeting: Immune Deficiency & Dysregulation North American Conference taking place May 18 - 21 at the Marriott St. Louis Grand in St. Louis, Missouri, USA.

CIS is the key multidisciplinary organization for the field of clinical immunology, and is devoted to fostering developments in the science and practice of clinical immunology. The mission of CIS is to facilitate education, translational research and novel approaches to therapy in clinical immunology as well as to promote excellence in the care of patients with immunological and immune dysregulatory disorders.

Your participation is essential to the success of the Annual Meeting. Please take this opportunity to meet hundreds of decision making healthcare professionals in specialties related to research, diagnostic and clinical immunology, and educate them about your products and services. Join us for this exciting and intellectually stimulating meeting that promises to be one of the best conferences on primary immunodeficiencies and immune dysregulatory diseases. We look forward to seeing you in St. Louis!

A handwritten signature in black ink, appearing to read 'Sergio Rosenzweig'.
